of Induction Valid

TOPEKA, Kans., April 5.—Efforts of Erwin R. Bergdoll, Philadelphia draft evader, to obtain his release from the army disciplinary barracks at Leavenworth were defeated to-day when Federal Judge Pollock, of Kansas City, Kans., denied Bergdoll's application for a writ of habeas corpus. The decision was filed here.

Judge Pollock's decision, in effect, upholds the draft act. It was the first court decision on the particular phase that inducted men be notified by mail. It was said the decision would affect many cases held in absyance.

Bergdoll's attorneys had contended the record did not show that Bergdoll ever received personal notice that he had been drafted. They endeavored to establish that he could not be a deserter, because he did not know he had been inducted into the army.

Judge Pollock held that the draft board's notice was sufficient and that it was up to the man drafted to receive his mail.
